

Sunday, 12th May
Display Day at Coolum Beach RSL –
11:30am – 2.30pm.

DISPLAY DAY - LATE CHANGE OF VENUE

Our public **Display Day** will now to be held at **Coolum Beach RSL Hall located at 1906 David Low Way, Coolum Beach** – plans to use its yard and adjoining Council parkland have been cancelled this week due to months of unseasonal rain. Chaplin Park at Noosaville is also unusable.

Now confined to bitumen carparks, we can accommodate 70 vehicles, not the full 93 registered as coming to Noosa Rally, so we suggest some might **car-pool** for this day.

The RSL Memorial Hall is a single-level building. It offers ample shade and other facilities, but **bring some folding chairs** in case we need them, please.

Shorter than other display days, we have planned that you will receive light lunch snacks from 12 noon, one small platter per person, included in your registration fee, so be sure to wear your lanyard. We have arranged catering for 130 such 'lunches'. Tea and coffee available from the urn, for a gold-coin donation to the RSL.

This venue is one kilometre north of the Coolum Hotel and the Club is licensed.

We shall have volunteers directing parking for safety, so please follow directions and assist.

Timing: We suggest you depart Noosa from 11am onwards, so as to arrive toward 11:30am avoiding congestion as Coolum Baptist Church folk, next-door, will have gone by then.

Entry to the venue: While heading south, prepare to TURN RIGHT into the driveway of the Baptist Church with caution, when you see our traffic controllers with high-viz vests, directing you to 60 carparks behind the Church.

A sign will be put at main entry when this area is full.

If you arrive after the main carparks are full, there are spaces in the bitumen carpark (a few metres walk) to the west side of the Club, accessible **via Seacove Lane**, just south of the Club. There are 'disabled spaces' on the immediate north side of the Club.

Judging: We shall be judging the drop-head cars for awards (separate from Concours, the day earlier) at 12:30pm and three chosen will be given rosettes to display as well as separate trophies on Sunday evening. If the drop-head cars could leave Peppers first to enable parking in the one area that would be helpful.
